Building Renovation - Fund Raising Appeal

Greetings from the Christ Church Vidyapith!

Perhaps you are aware of the genesis and growth of the Christ Church Vidyapith, affiliated to the CBSE, New Delhi. Central Board of Secondary Education (CBSE) is a premier organization under the aegis of the Ministry of HRD, Govt of India. It has a pan-Indian presence and global acceptance. Obviously an English medium School affiliated to CBSE in Kodukulankji is itself a creditable achievement, and a boon to the community of parents and their young children.

It is worth mentioning here that English education was started in Kodukulankji around 150 years ago with the advent of the British Missionaries. The institution is still running strong. It is only natural and logical that the mantle of modern education of the highest order has fallen on the CSI Christ Church, Kodukulankji, today.

Christ Church Vidyapith, Kodukulankji founded in 1999 by C.S.I. Christ Church, Kodukulankji, is now sponsored and owned by the Christ Church Educational and Charitable Society of the C.S.I. Madhya Kerala Diocese, Kottayam.

We are glad to inform you that the Church under the benign leadership of the Diocesan Bishop is going ahead with this mission to develop this CBSE affiliated School with the best of infrastructure and a matching human resource in terms of leadership and teachers of the highest caliber. **Christ Church Vidyapith** is thus poised to become a pace-setting model school in Kerala itself.

We need your blessings, co-operation and support to achieve this noble objective. We believe that every one whose roots are here in Kodukulankji and all those who love our village will want to involve themselves in this proud, epoch-making initiative.

Our Thirumeni, Rt. Rev. Thomas K Oommen has initiated the renovation process of the BJSM Complex where the School is located, with the active support and co-operation of the Diocese and the local Church. Let us join hands with our Bishop and the School Management to realize this goal of a most modern School in Kodukulankji that will respond to the legitimate aspirations of the local community.

We are fortunate to have 5 acres of dry land in the heart of Kodukulankji with a sylvan environment for an educational institution. This location is ideal for future expansion, including professional education for the benefit of the children of Kodukulankji and surrounding areas.

We need huge sums of money to realize this dream. We fervently appeal to all the Church members and well-wishers to support the project, both morally and financially.

In connection with donation, we would like to offer a package to the donors.

A Class Room can be sponsored in the name of the Donor by paying a minimum of Rs 5 Lakhs, and a Library or Laboratory Room be sponsored in the name of the Donor or Family by paying a minimum of Rs 10 Lakhs.

The names of those who pay a minimum of Rs 1 Lakh will be written and exhibited at an ideal place in the School on a plaque.

With great hope and with the blessing from our Almighty God, we submit this appeal to you.

We hope to have an early positive response from you.

Thanking you,

For and on behalf of the Renovation Committee
